Why We Recommend It:

- LearningExpress Library is an interactive resource featuring practice tests and tutorial courses designed to help students and adult learners succeed with test prep and skill-building.
- Tests, resources and study materials are organized by topic – making for easy navigation and access.
- Practice tests are based on actual exams used in academics, school admissions and licensing/certification. Users have 30 days to complete tests. You can take any number and variety of exams, and re-take tests if desired.
- LearningExpress Library provides users with instant online scoring, offers a customized analysis of strengths and weaknesses, and makes personalized recommendations as you take tests.

What You'll Find Here:

- **Learning Centers** – each offers practice tests, exercises and skill-building courses. Tests and study materials are available for areas including: civil service, emergency and law enforcement careers, college and grad school entrance exams, elementary through high school skills improvement, GED, math, reading and writing skills, health careers, real estate, TOEFL prep and U.S. Citizenship.
- **News** – alerts users to the addition of new practice tests and eBooks, and highlights featured Learning Center resources.
- **Library eBooks** – searchable “library” of career guides, study aids and test prep materials.

Getting to the Information:

- **Guided Tour** – demonstration walks users through Learning Center resources, setting up an account, and navigating the site
- **Help Center** – help with finding tests, details about the Learning Centers, tips on using tests and courses, navigating LearningExpress Library, and FAQs
